

LEAN BUSINESS PLAN

FINAL REQUIREMENT TEMPLATE

I. SIMPLIFIED BUSINESS DETAILS

BUSINESS NAME	KAIBA: Kahit Ano, Ikaw Bahala
LOGO	Primary Logo:  Secondary Logo:  Submark Logo: 

BUSINESS OVERVIEW	Kahit Ano, Ikaw Bahala is a smartphone application that combines technology and lifestyle to help a wide range of users make better decisions. The app adds excitement and unpredictability to users' daily choices with personalized suggestions and creative features such as the Randomizer Claw Machine, Saved Locations and a Social Media Feed. It appeals to people who want to accept unpredictability while also having a good time.
VALUE PROPOSITION	This application is intended for those who struggle to make decisions, particularly those who feel anxious when presented with options. Our brand name, KAIBA, is derived from the Filipino phrase "Kahit Ano, Ikaw Bahala," which encapsulates the essence of allowing others to take charge, a sentiment often embraced by individuals struggling with indecision, and thus resonates deeply with those seeking empowerment through relinquishing control over choices.
TARGET CUSTOMER CUSTOMER SEGMENTS	• People with Decision Anxiety • Adventure Seekers • Busy Individuals • Social Individuals • Students
CHANNELS TO REACH CUSTOMER SEGMENTS	Social Media (Instagram, X)
COST STRUCTURE	Production • PHP 600.00 (PHP 150.00 each member) ◦ To record the total cost of the stickers • PHP 44.00 ◦ To record the cost for the brown envelope packaging
REVENUE STREAMS	• Transaction-based revenue: Merch via stickers and decoden toploaders. • Service revenue: Tarot Reading (a service that we offered for free for people who purchased PHP 100.00 and up but it sparked people's curiosities and so we adapted and offered it as a service as well for the same price of PHP 100.00.)

COLLABORATORS	Adrian James Calalang Julian Oneil Morales Patricia Nicole Solomon Maria Franchesca Solomon

II. BUSINESS DEVELOPMENT TIMELINE

ACTIVITY/TASKS	START DATE	END DATE	REMARKS
- Decide on the Branding - Research Printing Services - Begin Prototype Development	2/12/2024	2/17/2024	Branding decisions have been settled, printing services researched, and prototype development has commenced.
- Finalize Sticker Designs and choose Sticker Materials - Continue Prototype Development - Start working on the presentation	2/19/2024	2/24/2024	Sticker designs are finalized, materials selected, and prototype development continues.
- Complete Sticker Designs and Order Stickers - Prototype Testing: Gather feedback. - Develop Marketing Materials - <i>tentative</i> - Continue working on the presentation	2/26/2024	3/2/2024	Sticker designs are completed and orders placed, while prototype testing is in progress. The initiation of marketing material development ensures a comprehensive approach to product launch.
- Receive Stickers - Refine App Prototype: Implement any necessary changes.	3/4/2024	3/9/2024	Stickers have arrived, and the team is refining the app prototype based on feedback.

• Prepare Bazaar Logistics: Plan and organize logistics for the bazaar, including booth setup, promotional materials, and equipment. • Conduct Final Testing: Perform a final round of testing for your app prototype to ensure it functions smoothly. • Finalize the presentation • Promote Bazaar: Begin promoting the bazaar through social media, flyers, and other channels.	3/11/2024	3/16/2024	Bazaar logistics are meticulously planned and final app testing is underway.
• Set Up Booth: Arrive early to set up your booth at the bazaar. • Showcase Prototype • Sell Stickers • Collect Feedback • Network and Engage	3/18/2024	3/22/2024	All preparations are in place for a successful bazaar day. The booth is set up, the prototype is showcased, stickers are ready for sale, and feedback collection and networking activities are in motion.

III. EVALUATION

3.1 BAZAAR

1. How many participants have visited our booth?	30+
2. How many participants have made reservations?	4
3. How many items have been sold?	83 products 4 services

3.2 PITCH

1. How many participants have visited our booth?	2
2. How many participants have watched our demo?	2
